

# Securities and Financial Services Law

## 7<sup>th</sup> Edition

Baxt, Black & Hanrahan

A comprehensive coverage of  
Australian securities regulation  
written by the leading experts in the field

*Securities and Financial Services Law* is a high-level work of an advanced corporations law subject. The primary focus of the book is the regulatory environment for securities and financial instruments which are traded on listed exchanges. The 7<sup>th</sup> edition has been completely revised to incorporate new features to make the text more accessible while still maintaining the academic rigour expected from this author team.
