

Torts: Cases and Commentary

6th Edition

Harold Luntz, David Hambly, Kylie Burns,
Joachim Dietrich, Neil Foster

The leading critical and
analytical commentary on tort law

Thoroughly revised and updated, this authoritative casebook adopts a critical and analytical approach to the law of torts. The extensive commentary is supplemented by a wealth of additional material including extracts from cases and legislation and comprehensive citation of academic writings. Challenging questions and detailed notes will help both students and practitioners to understand the significance of the cases and other materials.
