

A man in a white shirt and green tie is sitting on the tallest bar of a bar chart. He is holding a string attached to a large green balloon. The chart has three bars of increasing height from left to right, set against a blue sky and green grass background.

Deliver more with less

Legal Counsel Advisory Package

Enabling in-house lawyers to deliver more commercially relevant advice and lower their overall legal costs

In today's complex and increasingly regulated commercial landscape, the role of the in-house lawyer has never been more challenging.

The **Legal Counsel Advisory Package** is a versatile solution that will help position you as the valued in-house legal partner. With LexisNexis® Practical Guidance at the heart of the package, and an extensive portfolio of supporting services, you can deliver a commercially relevant legal service to your array of internal stakeholders whilst reducing your overall legal costs.

Practical Content

Pragmatic reference material that allows you to advise with confidence

LexisNexis Practical Guidance

Practical Guidance is the ideal service to speed up your research so you can complete more work quicker in-house, create more intelligent briefs for external counsel and quickly respond to business needs.

Meet your varied needs with our portfolio of Practical Guidance modules.

Visit www.lexisnexis.com.au/practicalguidance to find out more about these modules as well as the Business, Immigration, Personal Injury, Family Law, Succession Law & Personal Injury NSW Practical Guidance modules.

“ Before Practical Guidance, I would spend a lot of time searching for the right resource, then browsing through a daunting table of contents. These days, I use Practical Guidance as my starting point. I can usually find what I’m looking for within the module itself – and if not, other links will take me where I need to go.”

Adam Layton, General Counsel, CASA Engineering (CASA)

You can choose from the following modules:

- General Counsel Module
- Work Health & Safety Law
- Personal Properties Security
- Employment Law
- Property Law
- Consumer Law

Drafting

Reduce the amount of time producing and checking documents

Lexis® for Microsoft Office

Lexis for Microsoft Office is an innovative drafting aide which seamlessly integrates authoritative LexisNexis legal research content and a range of validation and checking tools with Microsoft® Office applications so you can construct and share legal documents with increased efficiency.

Reduce risk and increase efficiencies by checking the validity and currency of cases and legislation referenced in documents either created by you, received from internal stakeholders, external law firms or other third parties.
