

Journal of Equity

General Editor: Professor Simone Degeling

Associate Editor: Dr Chris Rossiter

The *Journal of Equity* is a law journal, publishing peer-reviewed articles, book reviews, case notes and comments on the diverse area of equity.

An international forum for intellectual debate, the *Journal of Equity* charts contemporary legal developments in Australia and across the common law world. Equitable rules and principles, as outlined and analysed in the *Journal*, are crucial to the study and practice of many areas of law, including commercial and taxation law.

Online, the *Journal of Equity* features a full backset to Volume 1, 2006.

The *Journal of Equity* publishes approximately three issues per year and is available in hardcopy or online formats.
