

Lexis<sup>®</sup> Learning

Your partner in teaching excellence

Ease your administrative burden through our efficiently flexible and innovatively effective eLearning options.

Lexis Learning combines interactive eLearning tools with authoritative legal academic content to deliver a flexible and customisable online learning solution.

Integrate seamlessly with your existing Learning Management System (LMS) or build into the LexisNexis<sup>®</sup> LMS.

Developed and road-tested by expert authors and law lecturers, save time in developing curriculum, teaching and learning tools, and further enrich the student learning experience.

## Create your own eLearning environment with our customised online learning resources

Lexis Learning delivers a superior learning experience to empower your students to succeed. You can choose to support your teaching and learning objectives with LexisNexis digital academic content, support materials and innovative eLearning tools to integrate with your existing University LMS or LexisNexis® LMS.

### Engage

Engage your students with flexible online learning options, interactivity, and built-in rich features to achieve a multifaceted learning experience.

### Empower

Empower your students with trusted and specialised legal content from LexisNexis.

Improve retention and reinforce learning through a variety of methods.

### Collaborate

Break boundaries and increase collaboration both on campus and with students studying remotely in Australia or overseas.

### Evolve

Advance your legal education with eLearning and teaching technology.

Combine authoritative digital legal titles and enhanced Lexis® Learning Tools, or create custom course content.

### Focus

Free up your time and ease the administrative burden.

Focus on further enhancing your teaching and learning outcomes and research commitments for your law faculty.

### Enhance

Enhance your university's brand and reputation.

Increase your enrolments by providing innovative and flexible online learning options and distance learning courses.

Engage students and improve student performance and retention.

Lexis Learning Tools are SCORM-compliant enriched teaching tools that form an integral component of LexisNexis textbooks to support the delivery of a quality and rich interactive student learning experience.
